“SUPERLATIVE” LIQUID HAND SOAP

Australian White Grapefruit

An exceptionally active *yet mild* formulation that offers peerless hand cleaning without the use of harsh chemical detergents or “anti-bacterial” agents. Our Liquid Hand Soap is as gentle on your hands as it is on the environment. **DIRECTIONS:** 2 – 3 pumps with warm water is usually sufficient for a thorough cleansing. Wash palm to palm for at least 30 seconds (long enough to sing the “Happy Birthday” song). Extra points for using a nailbrush on the fingernails, finger tips and backs of hands. Rinse and dry thoroughly.

500ml (16.9fl.oz)

INGREDIENTS: Purified Water, Cocamidopropyl Betaine, Sodium Olefin Sulfonate (Coconut-derived surfactant) Phenoxyethanol and Piroctone Olamine (preservative) Sea Salt, Wheat Protein, Nettle, Chamomile, Horsetail, Rosehip Extract, Vitamin B5, Vitamin E, Citric Acid. Lightly scented with a blend of fragrant and essential oils.

MURCHISON-HUME ADVICE: Wash hands often, especially during cold and flu season.

Murchison-Hume “Superlative” Liquid Hand Soap is: Earth, Food, Child and Pet safe. Non-Toxic, Non-Flammable, Non-Fuming, Non-Polluting, Readily Biodegradable and Free From: formaldehydes, caustics, phosphates, parabens, silicones, D.E.A. and sodium lauryl or laureth sulphates (SLS).
